What is The City School?

The City School develops the power of youth to work toward building a just society. We do this through: creative education and critical thinking, leadership development, action and service and promoting understanding and relation across difference.

How can I be involved?

The City School offers many opportunities from *Chill Nite* every Tuesday to our intensive Summer Leadership Program to workshops for teachers to leadership development workshops for court involved youth. Visit our website at www.cityschool.org/programs or call **617-822-3075** for more information

Have you ever been arrested?

Do you think the criminal justice system works?

Are you ready to work for positive change?

What is the Rose from Concrete Project (RfC)?

The Rose from Concrete Project provides leadership development, resource referral, education and job skills to court-involved young people in the Greater Boston area. Our mission is to provide young people with education and resources to actively work for social change.
